Properties In Paradise Expands With New Offices and Staff

June 4, 2014

Owners Bruce and Elaine Hearn are pleased to announce the opening of the new Properties in Paradise offices, centrally located in South Hill Plaza next to Grand Vins de France and Gerauds. Showcasing some of Anguilla's finest real estate for sale and a select list of villa rentals, the offices will serve as home base for the growing real estate and consulting firm.

“As market growth is creating exciting business opportunities, we require more space and manpower to meet the needs of our expanding client list. We are thrilled about the new possibilities for our clients,” said Bruce Hearn.

New to the team is Office Manager Cheryl Mussington, who brings specific experience in the Anguilla real estate market.

“Cheryl’s real estate and administration experience will support our goals of high integrity and excellent service,” says co-owner Elaine Hearn, “we look forward to working with her.”

Positioned as one of Anguilla’s premiere real estate and consulting firms since 2010, Properties in Paradise provides specialized, turnkey services including:

- Finding the perfect Anguilla real estate opportunity for buying or selling
- Guidance throughout the purchase or selling process
- Consultation and coordination of outfitting your Anguilla villa
- Sourcing and training staff for your luxury villa or resort
- Marketing your new Anguilla real estate offering

“We welcome the public to our new offices and look forward to sharing a wealth of first hand experience in all phases of Anguilla villa sales, purchase and ownership,” said Bruce Hearn.
