## ZENAIDA

BEACH AND TENNIS ESTATE

## GUESTS SAY IT BEST!

A recent repeat guest of Zenaida Beach and Tennis Estate had this to say:

*“The Zenaida staff has been amazing. They are always amazing, but this year they went above and beyond in so many ways:*

*They spoiled us daily – and always with friendliness and warmth!*

*All the pre-arrival requests were waiting for us – from cribs and high chairs, to groceries and our welcome dinner.*

*Breakfast was delightful. (Who knew that breakfast could be a six-course meal?!)*

*Kevin took time to share some hermit crabs with my grandchildren.*

*Ellie helped us to find things we misplaced.*

*Same day laundry service! And fresh towels, multiple times of day.*

*Staff who were always there when we needed them.*

*Every day we marveled at how we were pampered. The staff and the property are amazing! Thanks for a wonderful week!” - R.J.*

Zenaida is an Anguilla beachfront villa perched high above the sea, offering dramatic views of the Caribbean. Offering 7 bedrooms, a Har-tru Tennis Court, outdoor pool and a hot tub, Zenaida has an expert staff to meet guests' every need.

Indoor/outdoor living spaces and a private stairway to the beach allow guests savor island living on Anguilla.
