ANGUILLA

## Properties in Paradise to represent Villa Kishti In Blackgarden Bay, Anguilla

[Villa Kishti](#) has selected [Properties in Paradise](#) of Anguilla, a real estate and consulting firm specializing in high end villas, to manage sales, marketing and reservations beginning in March 2013. This extraordinary property, a unique harmony of island beauty, peace and privacy, is located in Blackgarden Bay, Anguilla. A modern villa with Asian sensibilities, Kishti is the perfect retreat for visitors to unwind, rejuvenate and immerse themselves in the natural beauty of the island.

“We are delighted to have Bruce and Elaine Hearn of Properties in Paradise, join the Kishti team,” says owner Suresh Bhalla, “Kishti is a unique and exceptional island escape that we are delighted to share with others. We feel that the experience and knowledge Bruce and Elaine bring to marketing and management, will enable us to express the true magic of Kishti to agents and potential clients”

“Villa Kishti takes my breath away,” says Elaine Hearn, veteran of the villa industry on Anguilla. “The unique architectural style blends seamlessly with nature and guests feel a secluded tranquility as they look out over the sea. This unique combination brings a calming and enriching energy that is hard to describe. It really must be experienced first hand.”

Villa Kishti offers four spectacular master bedroom suites with stunning views - even from the bath tubs. Spacious indoor/outdoor living and an expansive terrace overlooking the sea and pool allows guests to savor luxury in an awe-inspiring location. The elegant interiors earned the prestigious “Americas Property Awards” and honored designer Cecconi Simone for the Asian-influenced design in 2011.
